MEMORANDUM FOR: Project Director of Administration

REFERENCE : [REDACTED] 9337 (IN 32975) 25X1A2g

25X1A9a

25X1A9a 1. Re the attached, I believe it is most important that we exert
25X1A9a ourselves on behalf of our pilots as suggested by [REDACTED] in the
25X1A9a reference. I would suggest that you discuss this matter with [REDACTED] and decide what steps should be taken. It is my understanding that
25X1A9a last summer the recommendations for a number of [REDACTED] pilots
25X1A9a were forwarded with only formal indorsement by [REDACTED] in place
of more convincing and fuller indorsement and that this occurred because
the applications had to be sent in at a time when [REDACTED] had to be
25X1A9a away from Washington. This time around, we should make every effort
to support these applications as well as we can.

2. Would you give me a progress report on this matter at your convenience.
